

Mint of the United States at Philadelphia,

MELTING AND REFINING DEPARTMENT,

Philadelphia, Aug 5th, 1887.

Hon D. M. Fox

Superintendent,

Sir:

I have the honor to report that upon examination of 26 "Chicago & Aurora", ^{Silver} bars this day received at this Mint, and which this Department is asked to accept, to be made into ingots for Coinage; I find the same so lumpy, and with sproutings hammered down, and apparent brilleness in cuttings, that, I shall have to decline to receive the same as unsafe, and "unsuitable for Coinage" without further treatment

Very respectfully
